

WÜRTH Industrie Service

**WAPS®**

**THE WÜRTH ALU-PROFILE SYSTEM**

**NEW**

## SMART. MULTIFARIOUS. ADAPTABLE.

Creating “lean” processes is becoming a central aspect in the manufacturing industry. Important are the different requirements for each single workplace and its clearness.

Our perfectly matched solutions allow flexible, ergonomic, individual integration in your storage spaces, workplaces, assembly stations and vehicles. Take advantage of our innovative ideas to save time and space, and reduce routes.

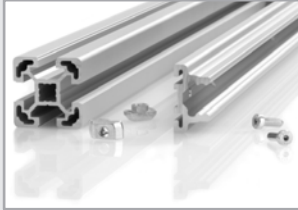

Select the right solution for you of the three WAPS® categories or a combination of them.

### WAPS® in overview

#### WAPS®Components
